
AFFINITY TIMES

Huron Classis Fall Retreat

On Saturday afternoon from **1:00 - 2:00 pm**, there will be multiple “workshops”. Signup sheets will be available at meal times outside the **Dining Hall**, so please encourage your youth to sign up if there is one “workshop” they are interested in. **Affinity Times are mandatory** and the Safety Team will be doing rounds and checks to make sure they are attended.

Worship - Tanya

This workshop will hopefully be an instruction on why we worship, how we worship and just a place to come together and worship. Bring your own instrument if you have it.

Journaling - Elly

Instructive quiet time and reflection on what God has done by writing about it, training the heart to give thanks for what he has done!

Prayer - Pastor Matt

Want to know how to go to Scripture and find prayer fuel? Learn how to walk through scripture to find out how God directs us to pray to Him, then practice it!

Vocation - Adam and Nathan

Ever wonder what God is calling you to do for work? Come spend time with Redeemer University and Heritage College and Seminary as they work through how to determine your vocational calling and how God might want to use you to make impactful change in the world.
