AFFINITY TIMES

Huron Classis Fall Retreat

—

On Saturday afternoon from **1:00 - 2:00 pm**, there will be multiple “workshops”. Signup sheets will be available at meal times outside the **Dining Hall**, so please encourage your youth to sign up if there is one “workshop” they are interested in. **Affinity Times are mandatory** and the Safety Team will be doing rounds and checks to make sure they are attended.

Acoustic Worship

Have an interest in music and worship? Join The Entire Assembly in an experience of worship through music. A time to sing together and embrace the presence of the Holy Spirit. Bringing your own instrument is also encouraged.

Q & A Lessons from Leaders

Got a burning question about faith, ministry, leadership, or life? Join Grace-Emma, Tyler, and Dylan as they try to answer big questions in a panel. Questions discussed in the panel are submitted anonymously before the session and read out to the panel and retreaters by the moderator.

Picture of The Gospel

Need a creative way to explain the gospel? Join Elly in painting an easy step-by-step picture while listening to scriptures that walk-through creation, the fall, redemption, and restoration. An illustration that works as a tool for explaining the truth of Jesus coming to save us from a broken world.

Education and Career Vocation

Are you in Grade 11 or 12 and thinking about what's next after high school? Join a conversation with Redeemer University about transitioning into post-secondary schools and careers.
